

Using nRF Connect to capture and debug BLE communication

Notes:

- <https://www.nordicsemi.com/eng/Products/Bluetooth-low-energy/nRF-Connect-for-desktop>
- New framework (starting with version 2.0, cross-platform)
- http://infocenter.nordicsemi.com/index.jsp?topic=%2Fcom.nordic.infocenter.tools%2Fedita%2Ftools%2FnRF_Connect%2FnRF_Connect_intro.html
- Requires nRF development kit to use (all nRF dev kits supported)
- Updates the firmware automatically on the dev kit
- Mobile app download links: [iOS](#) and [Android](#)
- nRF Connect [User Guide](#)
